

Alumni of Mining Engineers (Osmania & Kakatiya Universities) Association

Kothagudem – 507101, Dist. Bhadradri Kothagudem, Telangana • Regd. No. 6/2012

cordially invites you to the

GOLDEN JUBILEE

WORKSHOP & EXHIBITION

commemorating Fifty Years of Mining Education at Kothagudem

14th – 15th November 2026

Saturday – Sunday

Auditorium and Conference Hall, Dr. Manmohan Singh Earth Sciences University,
Kothagudem, Telangana

For all OU – KU Mining Engineering graduates of Kothagudem • Batches 1979 to 2026

THE OCCASION

A Milestone for Mining Education

The Alumni of Mining Engineers (Osmania & Kakatiya Universities) Association is organising the Golden Jubilee Workshop and Exhibition on 14th and 15th November 2026 to commemorate fifty years of mining education at Kothagudem. All OU – KU Mining Engineering graduates of the college are invited to participate.

The event will provide a forum for alumni, faculty, industry professionals and researchers to review advances in mining technology, recognise the contribution of the former faculty, and strengthen collaboration between the institution and the mineral industry.

OUR HERITAGE

From Hyderabad to the Coalfields

The Department of Mining Engineering was established in 1956 at the University College of Engineering, Osmania University, Hyderabad. To provide students with hands-on field training and direct exposure to mining operations, the Department was relocated to Kothagudem, within the coalfield area of The Singareni Collieries Company Limited, and named the Kothagudem School of Mines (KSM).

KSM was subsequently transferred to the nascent Kakatiya University (formed on 19th August 1976) and renamed the University College of Engineering, KU. The institution has since been upgraded into Dr. Manmohan Singh Earth Sciences University, Kothagudem. KSM is world-renowned; its graduates serve the mining and allied industries, academia and government across the globe.

THE ORGANISERS

Alumni Association

The Alumni of Mining Engineers (Osmania & Kakatiya Universities) Association, Kothagudem, is a voluntary body (Regd. No. 6/2012), now governed by the Telangana Societies Registration Act, 2001. Its objectives are the continuous improvement of mining education, the professional development of mining engineers, and closer interaction between industry and academia.

The Association maintains an active alumni network, many of whose members hold senior technical and managerial positions in the mineral industry.

AT A GLANCE

DATES

**14th – 15th November
2026**

Saturday – Sunday

VENUE

**Auditorium and
Conference Hall**

Dr. Manmohan Singh Earth
Sciences University,
Kothagudem, Telangana

WHO MAY JOIN

**OU – KU graduates of
the college, batches
1979 to 2026 and
subsequent batches**

DELEGATE FEE

Rs. 3,000 per member

Travel and accommodation
are extra

PROGRAMME HIGHLIGHTS

Celebrations Include

A detailed programme schedule will be circulated later.

Workshop Proceedings

Technical sessions comprising paper presentations and expert talks on recent developments in mining and allied fields.

Exhibitions

Industry stalls showcasing mining technology, equipment and services.

Felicitation of Former Faculty

Former faculty members of KSM will be invited and felicitated for their contribution to mining education.

Alumni of All Batches

Interaction of alumni of all batches with their batchmates, teachers and the institution.

PARTICIPATION

Membership and Delegate Registration

Membership

All OU – KU alumni who graduated between 1979 and 2026 are requested to enrol as members of the Alumni of Mining Engineers (OU – KU) Association. The application form will be made available shortly on the Association's website.

Batch coordinators

Two coordinators will be nominated from each batch to communicate with their batchmates and maximise membership and participation. Alumni are requested to contact their batch coordinators.

Accommodation

The organisers are approaching organisations in and around Kothagudem for guest-house accommodation. Details will be communicated to registered delegates.

DELEGATE FEE

Rs. 3,000

per member • travel and accommodation extra

The last date for registration will be notified. Payment details are given on page 5.

ORGANISATION

Organising Committee

CONVENER

Mr. B.R. Reddy

Former C&MD, SECL, CIL

CO-CONVENER

Mr. Bhattiprolu Bhaskara Rao

Former Director (O), SCCL

Organising Members

Dr. M.S. Venkataramayya

Director (Mining), Vensar Constructions Co. Ltd.,
Hyderabad

Dr. J.M. Raju

Principal, University College of Engineering & OSD to VC,
Dr. Manmohan Singh Earth Sciences University,
Kothagudem

Mr. K.J. Amarnath

Head, Mining Division, ESCI, Hyderabad

Dr. K. Srinivas

Chair Professor, Department of Mining Engineering, UCE
(A), OU

Mr. B.S.P. Raju

Vice President (Mines), Sagar Cements Ltd.

Mr. M. Narsaiah

Secretary General, MEAI

Mr. B. Karuna Kumar

Principal, Govt. Polytechnic, Kothagudem

Dr. M. Sathish Kumar

Professor of Practice, Department of Mining Engineering,
UCE (A), OU

Dr. Dharavath Kotaiah

Guest Faculty, University College of Engineering,
Kothagudem

Committees being constituted
